### **Financial Markets and Economic Development in Africa**

financial markets play an important role in the growth process by channeling funds to the most efficient investors and by fostering entrepreneurial innovation Schumpeter's view was that financial development leads economic growth Robinson (1952), however, argued that financial development passively follows economic growth by responding to

### **Financial Markets and Institutions Econ 230 Fall 2015**

Disclaimer: Financial markets and institutions are incredibly complex, and in some sense, dangerous As a result, I would never give, nor should you ever take anything I say as, investment advice Furthermore, the results in this class are based on a series of assumptions, and if they are wrong, then the results are likely wrong Given these facts,
